Want to Volunteer with *Extreme Makeover: Home Edition* in Michigan Next Week?

ABC's *Extreme Makeover: Home Edition* is headed to Lansing, Michigan to construct a new home in less than one week for a deserving Lansing area family. Mayberry Homes, the builder overseeing and implementing the construction, is still in need of vinyl siding installers.

The vinyl siding will be installed on the home **Tuesday, September 30** beginning at 6:00 a.m. If you are willing to volunteer your time and talent, please email Joe Schroeder as soon as possible at joe@mayberryhomes.com and include in the email that you are a VSI Certified Installer or Trainer.

I have no further information and will not be available for the next few days while I am at the VSI 2008 Fall Meeting, so if you want to volunteer use the email address above to respond. **BUT:** If you are volunteering, please email me, since we will try to arrange some press coverage if several of you are helping.

I hope you can do it!
